

# 1-151 Quarter-Turn with Handle Pr20.1 L18

L-Handle with 90° rotation, for inserts.

- RH or LH application.
- Water- and dust-tight according to IP65.
- The radial spring loaded insert automatically locks the handle when the handle rotates back into the closed position.
- This L-Handle consists of two basic components which can be combined to suit your application.
- On request cam can be assembled by DIRAK.
- A pre-assembled L-Handle can be installed in the cutout.
